DETAILED ACTION

1. Amendment to the rejected claims has been found to overcome the rejection based on the cited prior art. However, one of newly added claims, i.e., claim 74 lacks novelty under 35 U.S.C. 102 as set forth below.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 74 is rejected under 35 U.S.C. 102(b) as being anticipated by Gasbarro et al (Us 5,432,823, part of IDS).

Referring to Fig.2, Gasbarro et al discloses a master/slave communication system, comprising;

assessing phase delays between a master device (102) and a plurality of slave devices (106,108, 110) over a shared communication channel (138,136,120), see col. 6, lines 23-34.

identifying a selected phase delay for a selected slave device, see col. 51-68 describing the delayed version is selected when there is a phase difference between the master device and a slave device, and communicating over the shared communication channel with the selected delay.

Allowable Subject Matter

Art Unit: 2634

4. Claims 1-7,9-73 and 75 are allowed.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
